<p>1. An article about ex-SS General Heinrich Müller, chief of the IV Office (Gestapo), appeared in the 12 January number of the German magazine "Stern". According to this article, Müller is to be identified as Captain Bedir Nakoschiri Abedin of the Albanian Intelligence Service, presumed head of the section for western countries.</p> <p>2. Our records show that a captain named Abedin has been in the Albanian Intelligence Service since 1959 and we know that he is concerned with the western countries. It is very probable that this is the same person and is not a coincidence of names.</p> <p>3. Captain Abedin was director of interception units until 1959. After</p>		<p>MICROFILMED 14 JAN 1964 DOC.
